

# VALENCIA

Valencia belongs to the 3rd price group.

Valencia is a prestigious eco-leather of the highest utility and quality parameters. Soft and pleasant to the touch, it is available in a wide range of colours, from toned down beige to intense red or violet.

Valencia stands out among other upholstery fabrics due to its very good technical characteristics, such as 300,000 Martindale cycles and colour resistance to light. The collection has a flame retardancy certificate, thanks to which it can be used in public utility buildings. Moreover, thanks to the easy maintenance (washable fabric) the Valencia eco leather can be successfully used in places with high sanitary requirements.
